FRI (DATE NIGHT)

ENJOY A NIGHT OUT
OR EAT LEFTOVERS!

WEEKEND

Hawaiian BBQ
Chicken Sandwiches

Potato Wedges

DESSERT

Pumpkin Cobbler

TIP OF THE WEEK:

There is nothing better than delicious AND beautiful bread! So, why do we cut an X on top of our delicious bread bowls? This technique is called "scoring" the dough. Many people use this when making beautiful designs into artisan bread. The reason you make cuts, in our case a simple x, is to encourage the bread to evenly rise and expand upwards. Be sure to use a sharp knife when scoring.
