**TIP OF THE WEEK:**

It's the season of apples! Making homemade applesauce may be brand new to you and we have a few apple tips for you! I prefer to use McIntoch or golden delicious apples to make applesauce as they are both soft and sweet. You might be after a one-of-a-kind taste, try these suggestions for a few variations in sweetness. For the sweetest taste, use Cortland, Fuji, or Gala apples. For Tart/sweet, try Pink Lady, Honeycrisp, or Jonagold apples. For full tart, use Braeburn,
