OR EAT LEFTOVERS!

WEEKEND

Baby Back Ribs

Baked Mashed Potatoes

DESSERT

Lemon Cheesecake

TIP OF THE WEEK:

Zucchini boats are a fun and creative addition to the menu this week! You want your zucchini looking bright and fresh when serving, so keep these 2 tips in mind: Fresh fully ripe zucchini should feel firm and free of cuts and bruises. It can come in different colors such as green, yellow, or white. Whatever the color, it should be a vibrant and rich color from stem to tip.
