ENJOY A NIGHT OUT
OR EAT LEFTOVERS!

WEEKEND

Instant Pot Pot Roast

Homemade Biscuits

DESSERT

Chocolate Eclairs

TIP OF THE WEEK:

Making our Irish Soda Bread might be a first for you! If your dough is tough - don't worry - it's OK! The dough is not supposed to be smooth and will look somewhat ragged. Avoid overworking the dough or adding too much flour because it can cause tough, dry, and crumbly bread! We hope you enjoy this festive new recipe!
