TIP OF THE WEEK:

This week is Thanksgiving! Roasting a turkey doesn't have to be hard so this week's recipe walks you through step by step. Make sure you move your turkey to the fridge in plenty of time to thaw. Here are a few guidelines to help so your turkey will be ready to go in the oven on Thanksgiving Day.

4-11 lbs – Monday before Thanksgiving

12-15 lbs – Sunday before Thanksgiving

6-19 lbs – Saturday before Thanksgiving

20-24 lbs – Friday before Thanksgiving
