SUPPLIES:

- IBC Soda Pop Bottle Set
- Super-Pop Printables
- Scissors
- Single Hole Punch
- Ribbon or twine
- Spray Adhesive and/or Hot Glue Gun, Tape
- Treats/Snacks

DIRECTIONS:

1. Wash out pop bottles and dry completely.
2. Fill pop bottles with favorite treats/snacks. Pick ones that will fit in bottle opening.
3. Cut out all printable pages. Trim to fit where necessary.
4. Cover the box with appropriate sides using spray adhesive. (I found spray adhesive to work the best, but hot glue would work as well).
5. Wrap pop bottle wrappers around each bottle and secure with a piece of tape or glue.
6. Using glue or spray adhesive, attach bottle toppers to each bottle cap. Place caps on bottles.
7. Punch a hole in each bottle tag and use ribbon or twine to tie around the top of the bottle.
