

SARAN WRAP BALL GAME

SUPPLIES • HOW TO PLAY • RULES

WHAT YOU NEED

- 1-2 large rolls of plastic wrap
- Candy + small prizes
- 2 dice
- 2 oven mitts
- Shallow pan or tray for the dice
- Broom handle (optional, but helpful!)

QUICK PREP TIP

Slide the plastic wrap roll onto a broom handle and rest the handle between two chairs. It makes wrapping much easier when you're making the ball by yourself.

HOW TO PLAY

- 1 Sit everyone in a circle.
- 2 Give one player the ball + oven mitts.
- 3 Give the player to their left the dice and tray.
- 4 Say GO! One unwraps while the other rolls.
- 5 When doubles are rolled, STOP and pass everything left.
- 6 Keep playing until the final prize is uncovered.

**ANY PRIZE THAT FALLS OUT DURING
YOUR TURN IS YOURS TO KEEP!**

HOUSE RULES

- Players must wear both oven mitts while unwrapping.
- Only prizes that completely fall out during your turn are yours.
- Do not tear through the plastic wrap - unwrap it!
- The second doubles are rolled, unwrapping stops immediately.
- Keep the ball in your lap. If it rolls away, pause and bring it back.
- Keep passing the ball and dice to the left until the center prize is won.
